Disclaimer

This guide contains general information on our products and does not provide binding specifications regarding the varieties described in it. The information and product representations, including images, in this guide are based on optimal cultivation circumstances in The Netherlands. As will be evident actual breeding results achieved with our varieties may be influenced by cultivation, handling and treatment and environmental factors (such as temperature, moisture, wind, fertility and diseases) and may therefore vary from grower to grower. Therefore, neither Interplant Roses, nor anyone involved in the production of the guide, can be held responsible for any loss or damage caused as a result of the use of information in this guide. Interplant Roses is in no way liable for any claims arising from the use of the information provided in this guide.
